To Dickson
you are one of
the most well read persons
I've ever met. I wish you had the good fortune
able to grasp knowledge

To Dickson,
I know that you
will succeed in everything
you try, so I won't have
to wish you luck, but
I will ask you not
to forget me so please
don't. Love You

SOLDAN HIGH SCHOOL
SAINT LOUIS, MISSOURI

THE SOLDAN CREED

I will:

Respect people of other religions, races, and their customs.

Respect the property of other people, both public and private.

Be punctual in both my school obligations and extra-curricular activities.

Abide by the rules and regulations of my school and obey the laws of my community.

Display honesty in all dealings with other people and abide by the honor system in school.

Always practice cleanliness of mind and body.

Do my best to support all functions of my school, athletic and social, and display good sportsmanship at all times.

Strive to be courteous to all people especially my elders.

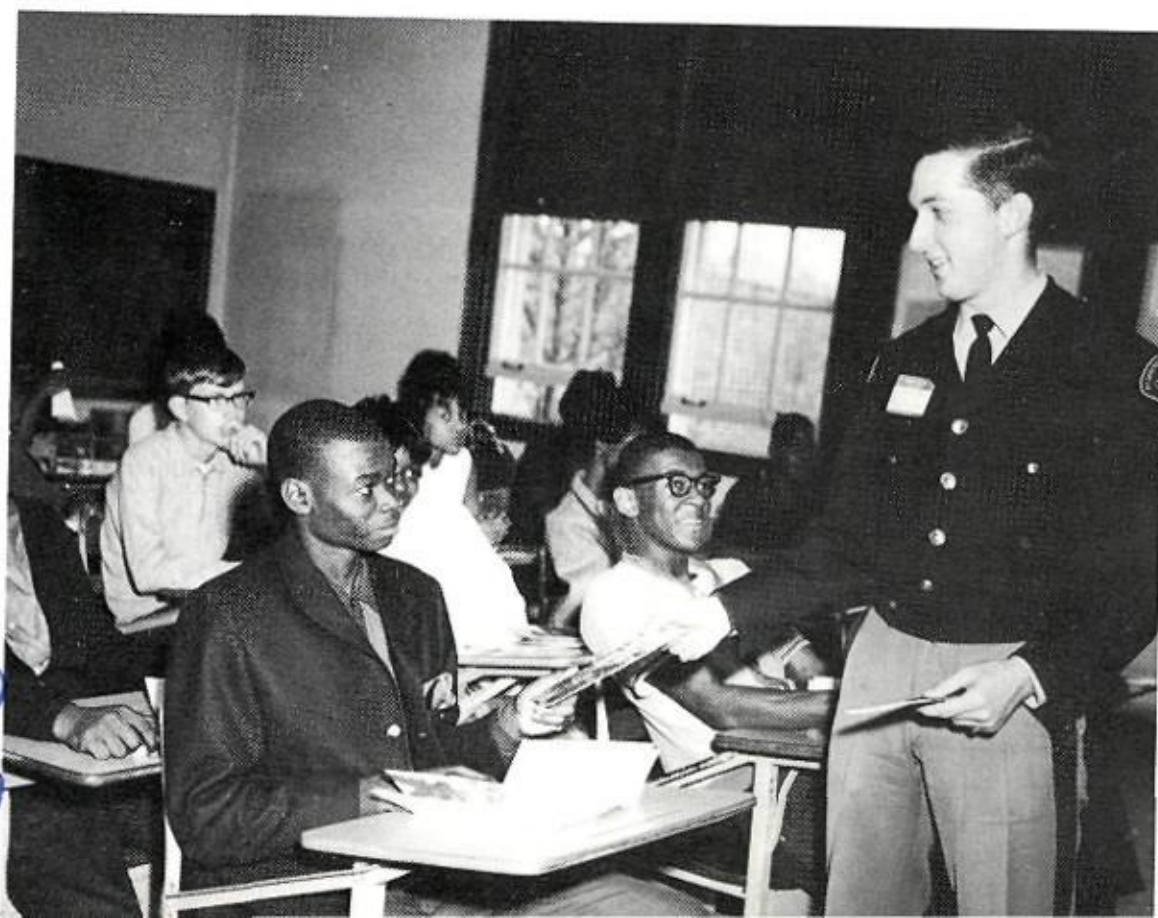

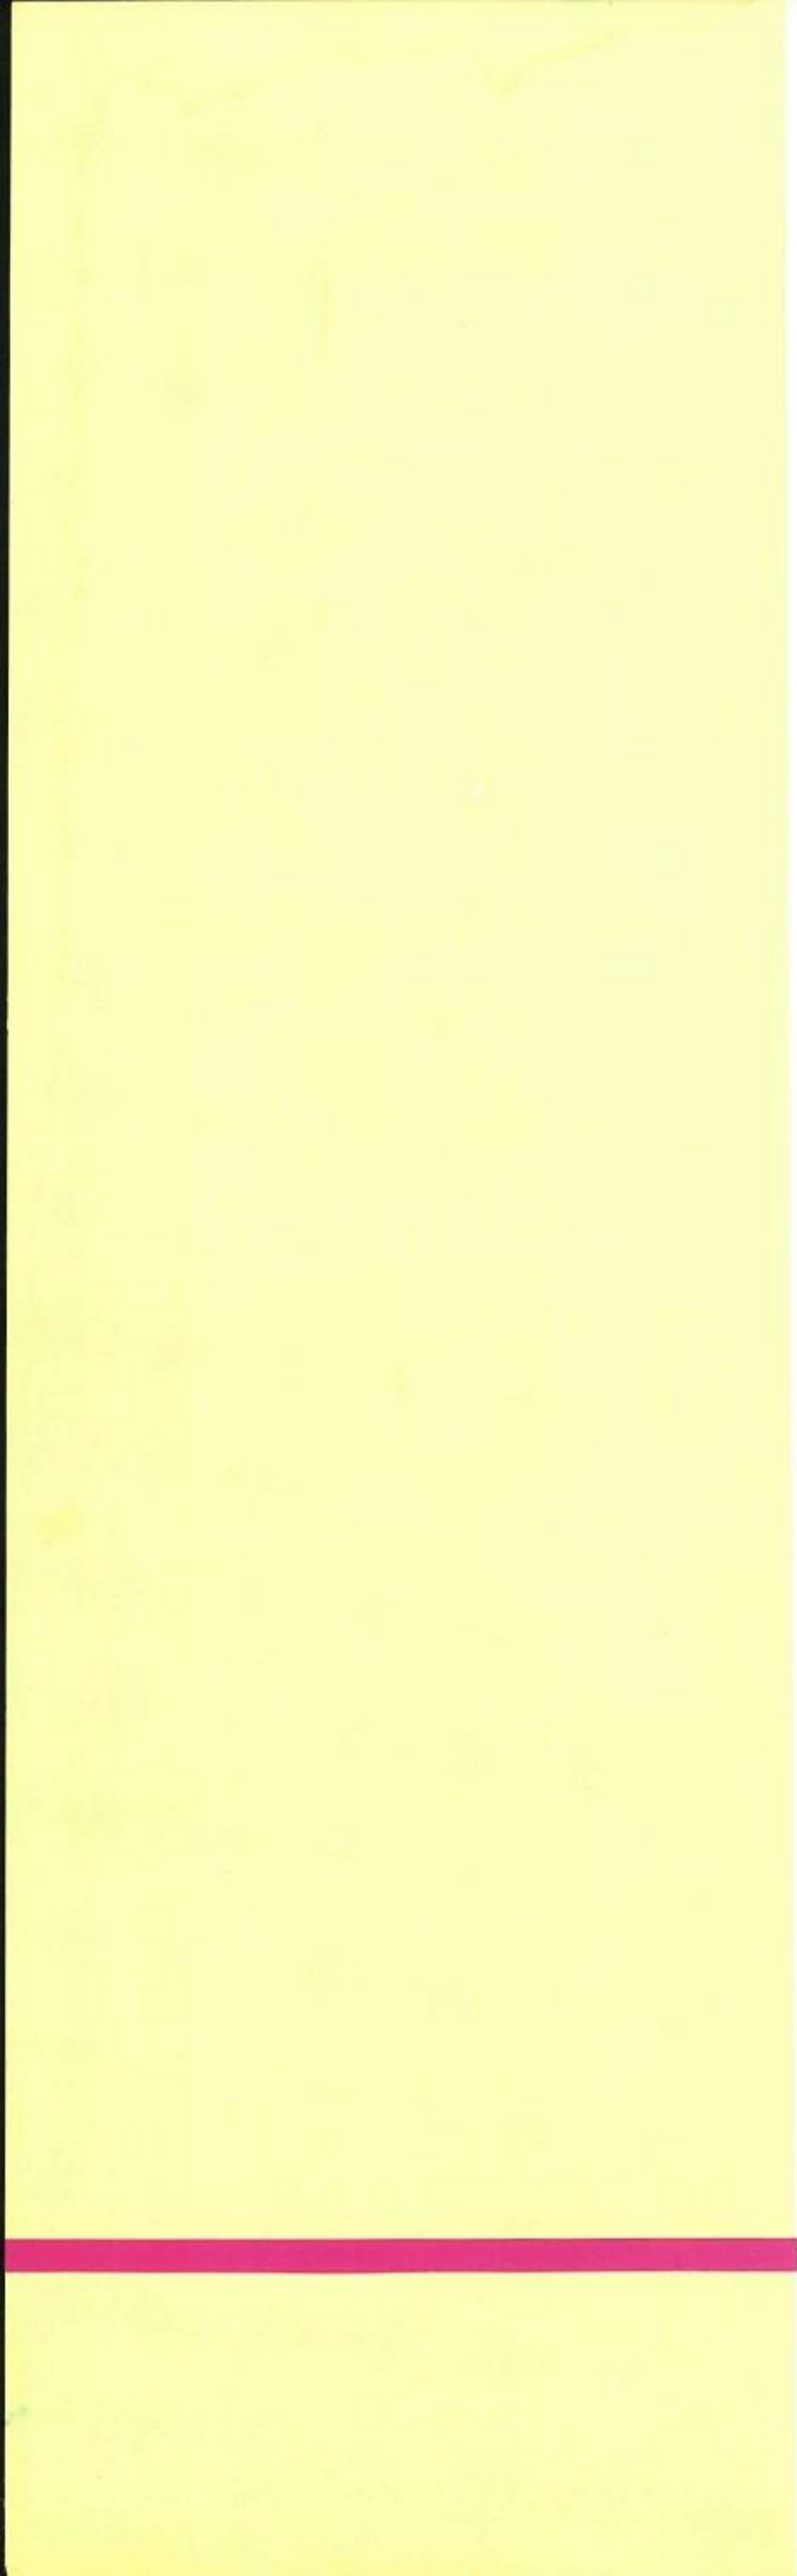

SOLDAN FIGHT SONG

Soldan High School, School High School
 Best school in the land
 You're the only, there's no other
 We all understand (Rah! Rah! Rah!)
 Soldan High School, Soldan High School
 May there ever be
 In the hearts of all her students
 Loyalty

*To Dickson,
 for one who never
 said much, but to
 me still had a lot of
 soul 100!

THE CHANGING YEAR

Soldan High School has undergone many changes in the past few years. Each year the senior class graduates and leaves with the experiences of four rewarding years. As the seniors graduate in June, a great number of freshmen are awaiting in eager anticipation to enter high school. New teachers come to Soldan each year replacing the teachers who have left. They bring with them new backgrounds, new skills, and new experiences. Every few years all old books are replaced by new books which teach in newer and better ways. Along with this tutorial change, there has been a change in the building itself. Improvements have been made and new lockers have been installed around the school. Yes, Soldan has changed in many ways, but through all the changes, the exuberant spirit which Soldan instills in its students and faculty remains the same.

LIFE AT SOLDAN

Initiating each school day is the advisory period, a small but vital part of the students' life. The advisor's door opens promptly at 8:40 a.m. During this time, attendance programs, absence notes, early dismissals, and other forms relative to the individual are processed.

The advisee is informed about scheduled events, both curricular and extra-curricular. He is aided in working out the problems by an interested advisor, and is encouraged to do his best in representing his advisory group in the school.

As a tempering influence, the advisory enables students to adjust to the educational atmosphere before classes commence. After visiting with friends and reviewing last night's homework, the advisory period is over at 9:00 a.m. The advisee begins his class day.

The student then moves from class to class until it is time for lunch. There are many different classes which the student may take on these periods before lunch, such as classes in the fields of science, mathematics, history, physical education, English, foreign languages, and practical arts.

Usually by his lunch period, the student is quite eager to eat, meet and talk with friends in the auditorium and lower hall area, and perhaps catch up on some of his studying or homework.

After lunch the student resumes his various classes. The student continues through these classes until the end of his active day. This is a day in the life of a student of Soldan.

ADMINISTRATION
AND FACULTY

THROUGH THE YEARS

John A. Nelson, Principal of Soldan High School, attended Southern Illinois University where he received his Bachelor of Arts degree. He then enrolled at the University of Illinois where he received his Masters degree in Chemistry.

Mr. Nelson's deep feeling of the responsibility he has assumed for the past three years are best expressed in his following statement:

"Through the years Soldan has had a rich tradition serving as a beacon light to the West End Community.

As we reflect on the school's contribution by decades from 1917 to 1967, we challenge you, fine Soldanites who are graduating this year, to strive unceasingly to find worthwhile places for yourselves in the main stream of mankind. We trust that you will go forth with your minds fixed on attainable goals, looking forward to a monumental year in 1967 as a result of your endeavors.

It is so good to have been made rich because of contacts with you. Further, it is our desire to look with optimism to the contributions your lives will make for the betterment of our community and all humanity."

SENIOR GROUP

Working together each year under the leadership of "Mama Fennoy" a few seniors provide the know-how and skill for other seniors' enjoyment. They sponsor dances and bake sales (these require decorations and a clean up job afterwards) in order to finance various senior activities. The jobs these seniors do are not all fun; quite a few of them require a lot of work.

THERAPY

An organized team makes any task easier for everyone to do. In using their various skills, these seniors have a maximum amount of teamwork. They devote a lot of time to the work they do for "Mama Fennoy" and we think they should be recognized.

UNDERGRADS

The freshmen and sophomore advisories comprise about one third of the school's entire enrollment. Though they are undergrads, they have many of the same privileges as juniors and seniors.

If they qualify, they are allowed to participate in extra-curricular activities; but they must wait a while before they can participate in the Senior's Bow Day or Class Day Ceremonies. Having these activities to look forward to encourages the freshmen and sophomores to complete their studies and live up to the Soldan standards required for graduation.

STUDENT COUNCIL

Soldan's Student Council is an organization which is made up of two representatives from each advisory group. The representatives are chosen by the student body.

The duty of the Student Council is to talk to the counselors, find out what is happening around the school, and bring the information back to advisory. They help other organizations and activities to raise money for necessary purposes and try to set an example of good citizenship for

the students.

From time to time the representatives meet in the auditorium to discuss and plan worthwhile school activities for the benefit of the school. At their meetings they also discuss problems of Soldan and how to solve them.

The Student Council urges students to voice suggestions and criticism for a better Soldan through their representatives.

MARCHING MAJORETTES

Soldan's majorettes are a group of girls who work together as a team and perform with Soldan's band. These talented girls add excitement to the football games.

Performing at half-time, the majorettes bright-

en the school spirits of Soldanites.

Soldan's majorettes perform at most of the school's extracurricular activities, and because of their outstanding performances, they are one of the most popular groups at Soldan.

CLUB

The only requirement for membership is that one be a loyal Soldan student. Any member can accumulate 1,000 points by attending all the games and the meetings. The Pep Club meets weekly. They also hold pre-games sessions for the entire Soldan student body in either the auditorium or on the athletic field.

BATTLE OF WITS —CHESS

Checkmate!

Chess is a game which calls for plenty of concentration and skill. For this players must rule over this "Chess Kingdom", with all the strategy of planning as by real Generals in commanding their armies. In this combat, at Soldan where Knights, Kings and Queens are pitted against each other. The guidance of this "tour de force" is Mr. Robert Zeuty.

SCRIP STAFF

Do you know what "bleeding the page" means, or what an "end sheet" is? Have you ever wondered how we obtain colored pages in the *Scrip*, or just what goes into the making of *Scrip*? The yearbook staff, after receiving a grade on the previous yearbook, undertook to learn the answers to these and many other questions. Such as how to crop pictures to make a better looking page and how to use them in the new 1967 *Scrip*.

But planning the yearbook is not an easy task. There must be organization skill, and management. Under the sponsorship of Mrs. Bobette James, the yearbook staff works cautiously—writing copy, which is proof-read by Miss Theresa Shannon, cropping pictures, arranging double-page spread, and doing innumerable other tasks which lead to a completed yearbook.

In spite of "deadlines", the staff has had a pleasant time producing this book and sincerely hope that you enjoy this annual pictorial account of the year's happenings.

The sales staff, which promotes sales and distribution of the yearbook, is under the sponsorship of Mrs. Ruth Morgan. This staff is essential because without it the *Scrip* would not reach its eventual destinations, to the students of Soldan.

ALLIED YOUTH WORKS

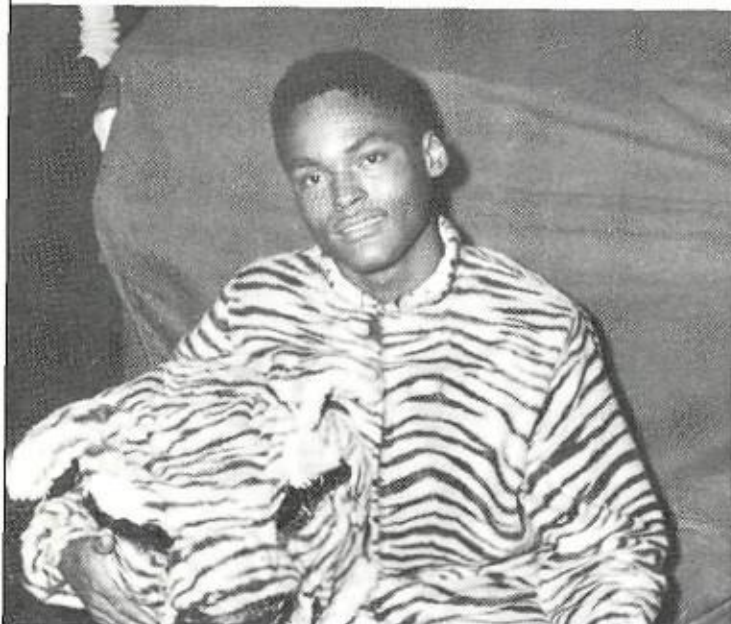

Three school mascots practicing on the lawn. Big cat Robert Martin is watching Gregory Swaink balancing on Cecil Hill's back.

The purpose of Allied Youth is two-fold: to help young people learn the facts about alcohol and tobacco and then meet intelligently the social pressures for these evils. It is an organization which is making every attempt to know youth, to speak their language and to win their interest. Facing this situation realistically builds a sound social and recreational program in the school and in the community. Thus, through this fellowship of young people who do not drink, it challenges the assumption that it is necessary to drink to be popular.

THE MOTTO OF THE ALLIED YOUTH IS: REMEMBER:

"Dare to be Daniel
Dare to Stand alone
Dare to have a purpose firm,
Dare to have it known."

David Johnson relaxes with his head under his arm.

The Allied Youth make the presentation of their flag to the Drill Team to fly whenever they perform. Making the presentation (right to Left) Mr. Robert Kees, Robert Francisco, Nancy Williams, Philistine Rowden, and Mr. Marion Berry

HUMAN RELATIONS'

"Understanding" is the key word in defining the Human Relations Club. This understanding is shown by the members of the Human Relations Club who have worked hard on their two annual projects. The fall project was to raise money to send supplies to underprivileged children in foreign countries. Their spring project was to prepare for their annual conference held at Soldan during Brotherhood Week, which was the climax of the clubs activities given under the leadership of our two diligent sponsors, Mrs. Bobette James and Miss Dorothy Pauls.

D.E.— A PROGRAM OF INSTRUCTION . . .

Distributive Education prepares students to serve in those occupations in which 33% of the population is employed. Distributive occupation are those in which workers are employed for the purpose of making available to consume the goods and services produced by others. This subject is taught at Soldan and is meaningful to those students who are interested in entering the world of business. It is presented on a yearly basis. The objective of the courses are to acquaint the students with the great potential employment opportunities in the field of distribution and to help take advantage of these opportunities.

Tor further these objectives, an auditorium program was presented for the entire student body to

introduce them to both the participants in this program and their employers. The Distributive Education Department hoped to promote the thinking of the undergraduates concerning such a program for their senior year. Only twelfth grade students who are employable and at least 16 years of age are eligible to participate in this school work program which involves one-half day or four periods at school and one-half day or 15 hours minimum on the job. This program is carried on under the supervision of the school board and the school administration with the help and co-operation of the local business community. Mr. Emerson C. King serves as coordinator.

HONORS GROUP

Soldan's Honors Program is an experiment in cultural education and was started in 1963. A selection of thirteen students was made on the basis of achievement, aptitude, academic achievement, citizenship, and recommendations obtained from elementary school principals and teachers.

A Board of Directors consisting of teachers who are specialists in various fields has been established with the function of planning visits to places or things of interest and of scheduling such activities over the years.

Included in the year's program are cultural factors such as museums, the legitimate stage, lectures, trips to museums, music activities, recitals, and nature studies.

Programs such as this are rare in urban areas, but the Soldan Faculty hopes this will be as successful as it has been in the past.

The Future Business Leaders of America, a recently formed club at Soldan High School, was introduced to the student body in January, 1967, at an auditorium session conducted with the dignity and serenity of a candle-light service. Symbolizing acceptance of their new duties and responsibilities, the new officers lit their candles from those of the four guest speakers, officers at the Herculaneum High School Chapter, who defined the words Future Business Leaders of America.

Representatives of the McKinney High School Chapter, were also guests at this installation ceremony.

The F.B.L.A. was formed to prepare students for aggressive business leadership. They plan to establish and improve standards for entrance into store and office occupations and professions. Members participate in individual projects to develop character and scholarship.

Membership is limited to students who are enrolled in business subjects or have had training in business. Meetings are held once a month under the direction of the President, Valorie Brown, and the sponsors Miss Lola Bell, and Mrs. Audrey Spears.

CREATIVE DANCING

Under the supervision of Mrs. Betty Schaper, the Solder Modern Dance girls are taught how to posses rhythm, poise, and coordination. With this goal in mind, the members of the Modern Dance meet every Monday and Wednesday to learn and practice the basic dance movements. Within the course of a semester, the members touch on various types of dancing—a little folk dancing, and a lot of ballet and creative dancing. Besides the physical exercise the club provides, its members also develop their creative ability and increase their general knowledge of dancing.

LATIN CLUB

Who says that Latin is a dead language? It certainly can't be said of the members of Soldan's Latin Club, who have this year for the first time affiliated with the Missouri Classical League. One of their most successful and cultural events which was given on Saturday, January 14, 1966 was a Roman Banquet. The theme of this gave the members of the Latin Club an opportunity to dress in Roman attire, eat Roman style, and participate in various Roman games. Other activities given throughout the year were sock hops, a trip to the Art Museum to view examples of Roman art, and finally the convention of the Missouri Junior Classical League, at Missouri University in Columbia, Missouri.

SOLDAN'S MARCHING BAND

Who lifts the spirit of Soldanites when the Tigers are trailing in a game or when the student body is at a Pep Session? The Soldan Band, of course! The Soldan Band not only plays at athletic events, but also entertains at auditorium sessions,

presents concerts, and performs and represents Soldan in local parades, for their excellent performance.

This year the band won the Fireman Rodeo and Band trophy.

MEET THE ROAD RUNNERS

Cross Country is a sport which is related to track. Soldan's Cross Country team is one of the few for which boys must try out. It is a well-known sport at Soldan and is most talked about during the track season. Because they have shown their determination to make their goals come true, the cross coun-

try team is expected to set new records.

The cross country team, with their supervisor Donald Amburn has worked hard to make Soldan's team one of the best.

The cross country team helps to make Soldan truly, "The Home of The Champions."

Soldan's Football Queen coronation of 1966-67 proved to be very successful. Everyone waited anxiously to hear the announcement of the 1966-67 Football Queen. The queen, Rosalyne Williams, and her maids, were nominated by the football team, and elected by the student body.

The queen and her maids were announced as:

3rd maid—Bevala Macon; escort—Marvin Collins

2nd maid—Glenda Wilson; escort—Terry Fennell

1st maid—Mildred Rosbusky; escort—Ronald McDaniels

queen—Rosalyne Williams; escort—Harold Austin.

After the coronation, a dance was held for everyone's enjoyment. The newly-crowned queen and her royal court were congratulated at the dance, which was held in their honor.

VARSDITY FOOTBALL TEAM

(MEET THE P.H.L. AND CITY CHAMPS)

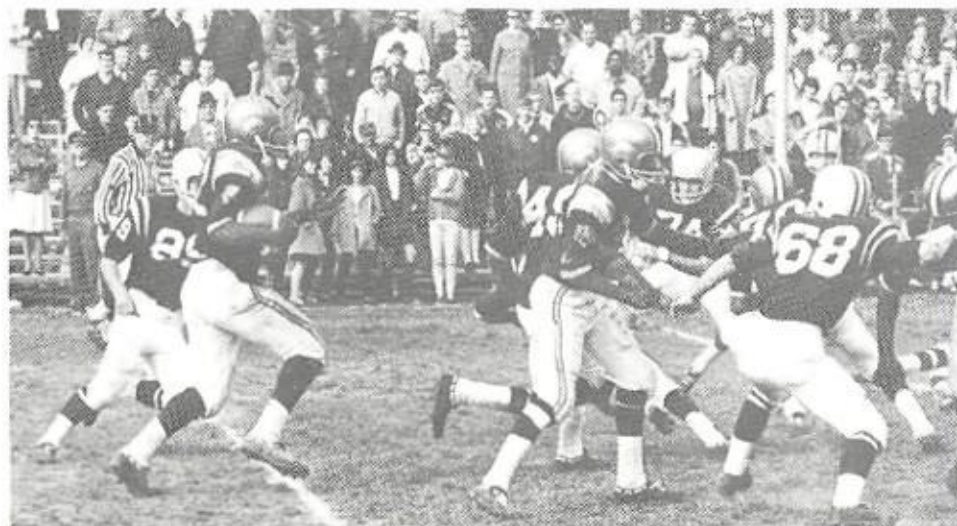

The Soldan Tigers, coached by Leon Anton and James Evans, once again have proven themselves champions and can be proud of a P.H.L. season record of 8—0—2.

The Tigers became the 1967 City Champs by defeating DuBourgh High School by a score of 13 to 7 at the Turkey Day Championship Game.

Outstanding players on Soldan's Varsity football team, Larron Jackson and Terry Fennell, were chosen by the Board of Selectors to participate on the All Star North High Team. Larron Jackson was also selected for the All-American football team.

BASKETBALL . . .

A SPORT FOR THE SWIFT AND SURE

It has been proven that one does not have to be tall to participate in basketball. This year Soldan had 5 returning Tigers and 3 rookies.

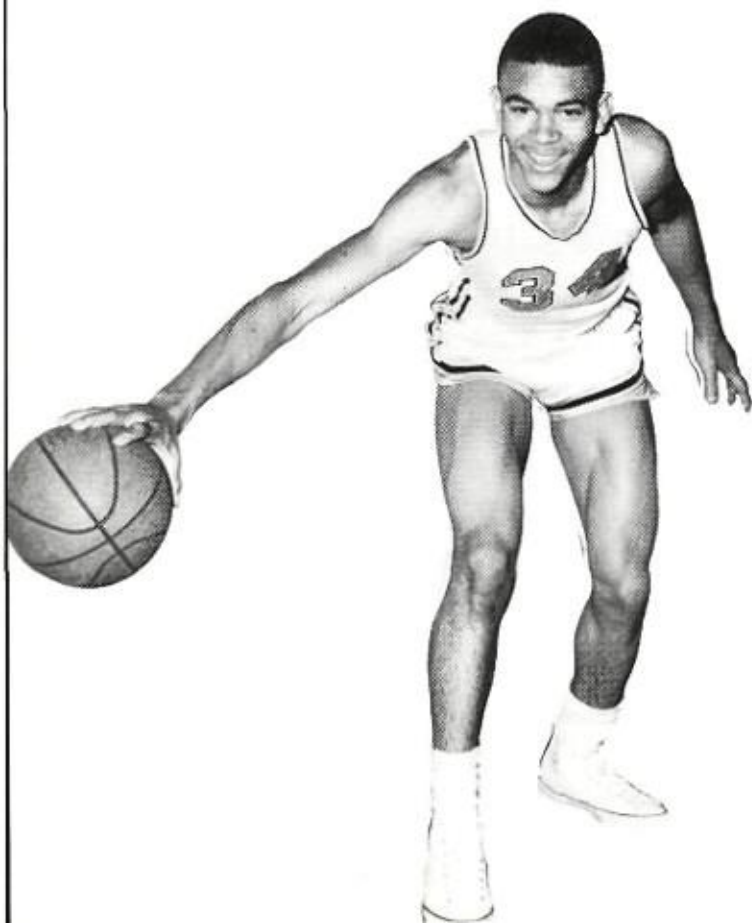

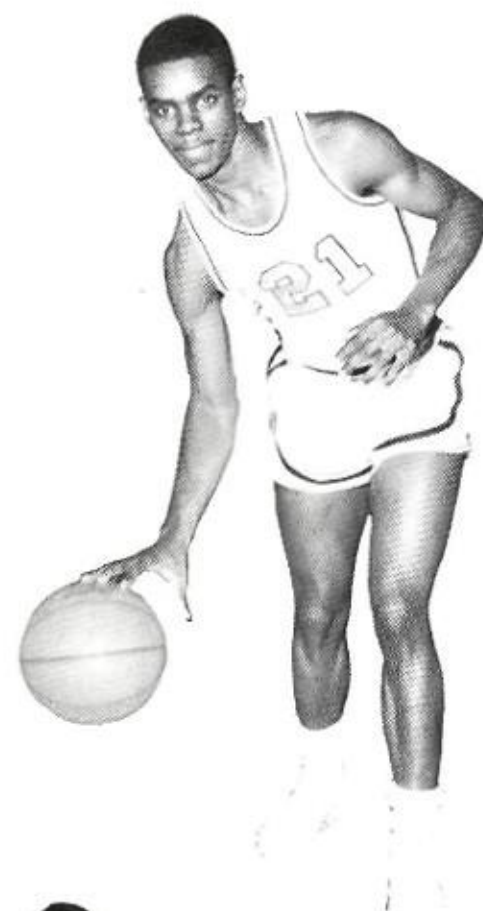

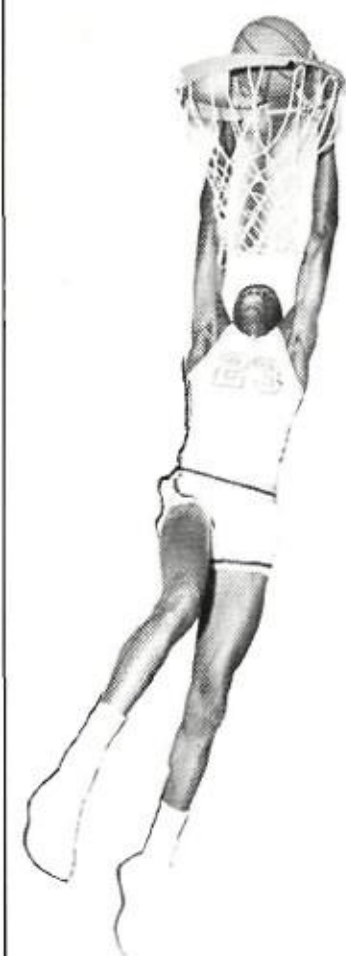

Opening the season by defeating O'Fallon 54 to 49, the Tigers had an exciting season. However, the season was not victorious, ranking 4th in the public High League. They competed with such schools as: Central, Lutheran North, Lovejoy, McKinley, Roosevelt, Cleveland, Southwest, and C.B.C.

TENNIS, ANYONE

Tennis is a sport which requires plenty of energy, quick reflexes, swiftness, good timing and balance. It is played in matches, either singles (one man against another man) or doubles (two men against two other men).

This season should be a very good one for Soldan's tennis players and for the students. On the team there are four returning, six rockies, and five non-letter-men. They don't anticipate a "single" defeat; so Soldanites can expect "double" excitement this season.

GIRLS PARTICIPATE IN

The G.A.A. is the major sports organization for girls at Soldan. Here the girls strive to improve in mind and body, to work as a team, to practice good

sportsmanship, and to keep alive the Spirit of Soldan.

ROW I: Reese; Smoots; McDaniel; Larkin; Binion; Rice; Williams. ROW II: Williams; Spencer; Johnson; Cox; Bennett; Taylor; Douglas

ATHLETICS ALSO!

Beginning a new year, the girls participate in field hockey as long as winter permits. When it is necessary to play indoors, they begin their volleyball tournament, which lasts about six weeks. This sport usually ends with a girls vs. the lettermen game.

If you like cakes and cokes, don't forget the G.A.A.'s cake and coke sales. During the year the girls had one major sale in order to make money and to earn points toward a letter.

When Tuesday, Wednesday, and Thursday rolls around, the girls, with friendship and fellowship, are anxiously waiting to begin their activities under the sponsorship of Mrs. Deloch and Mrs. Quinn.
